1945 PRICE LIST

CARNATION

Rooted Cuttings

January to April Delivery

TERMS OF SALE

PATENTED VARIETIES—We issue with each sale of a patented variety the privilege to propagate all that is wanted by the purchaser for his own use. This privilege is issued in writing on blanks signed by us and the purchaser. Without our signature on the blanks none of the plants can be reproduced in any manner by the purchaser under penalty of the U. S. Patent Law.

RATES—Less than 25 of one variety will be billed at the dozen rate; 25 of one variety will be billed at the 100 rate; 250 of one variety will be billed at the 1,000 rate.

SECOND YEAR RATES—Purchasers of 100 or more cuttings of the varieties Pink Treasure, Rosalie and Seth Parker can purchase in subsequent seasons in lots of 500 at the rate of 8c per cutting for Pink Treasure and 10c per cutting for Rosalie and Seth Parker. This offer is made subject to availability of stock, all orders being filled in rotation as received.

PRICES in this list are for the trade only. An additional 20% will be added on orders from private estates and others outside the trade. All prices are F.O.B. Indianapolis, Ind.

DISCOUNTS—We allow no cash discount. Special discounts on large quantities may be had upon application.

PAYMENT—Bills are due the first of the month following date of invoice unless special arrangement has been made.

SHIPMENTS will be forwarded by Railway Express (Transportation Charges Collect), unless otherwise instructed. This is the most economical and satisfactory method. Send both Postal and Express addresses if they are different.

CLAIMS on damaged stock must be made with the transportation company as our responsibility ceases upon delivery to them.

HEALTH CERTIFICATES signed by the State Entomologist are attached to every shipment. We are not in a Japanese Beetle area and are not required to issue any certificates.

WARRANTY—We give no warranty expressed or implied as to description, quality or productiveness of any plants, bulbs, or seeds we send out and we will not be in any way responsible for the crop. If the purchaser does not accept the goods on these terms, they must be returned at once.
